ES SIGNATURE VERTICAL GRILLE

New signature vertical grille is crafted to draw people's attention, as you drive or ride in thrill.

LEXUS ELECTRIC HYBRID DRIVE

Tune up your acceleration with next-gen Electric Hybrid Vehicle engine and Nickel Hydride battery, as the combination brings you maximum engine performance as well as fuel efficiency. With new electric hybrid technology, enjoy a ride with maximum quietness.

The exciting Entirely New ES gives you refined driving performance with a provocative elegance look. Available in the ES 300h and the ES 250 variants, it has been redesigned with a sportier exterior and a human-centered cabin and cockpit. Experience driving pleasure and passenger comfort in the Entirely New Lexus ES.

**OUTSTANDING
WHEELS**

Sharper lines, new 18-inch resonator wheels, and improved aerodynamics give your ES a bold, sporty look.

**EXCITING
PLATFORM**

Lexus ES is built on a wide and low platform to give an exhilarating driving performance, while ensuring ride comfort for the passengers as it gives more leg room space and longer overall cabin.

**SMART
ANTICIPATIVE
FEATURES**

Enjoy an ES with features that are designed with the omotenashi philosophy, such as the smart kick sensor. You can easily open and close the ES trunk by simply motioning your foot below the bumper.

HEAD-UP DISPLAY

Equipped with the largest colored HUD (Head-Up Display) in its class, ES provides you with convenient display of information so you can focus on the road.

COMFORTABLE CABIN DESIGN

Every ES pampers its driver and passengers with ample leg room at the front and rear seats. Not only it is the largest in its class, the ES cabin also offers a 3-layer dash silencer and noise insulating materials for maximum cabin comfort and quietness.

FIRST-CLASS ENTERTAINMENT

A 12.3-inch wide Center Screen Display is complemented with Apple Car Play and Android Auto for all your connectivity needs while driving.

REINTRODUCING ELEGANCE

PANORAMIC VIEW MONITOR

For a more convenient and safer experience of driving, see your surroundings with a 360-degree view monitor while you park or cruising in narrow and busy roads.

TILT AND SLIDE MOONROOF

With a wide moonroof, enjoy riding or driving under the moonlight.

MARK LEVINSON PURE PLAY

Each ES is equipped with 17 Mark Levinson Pure Play speakers to provide crystal clear sound and immersive experience of enjoying music.
